

# Primary Prep Academy

Dear Primary Prep Parents:

The preschool years of development can be some of the most challenging yet rewarding times in any parents' lives. I am here to encourage you to enjoy each moment because they pass all too quickly. As the parent of a now twenty-two year old young man, those young years were some of the best "educational" experiences of my life.

I am excited to join the team and begin to become part of the Primary Prep family. I have a wealth of experience in a preschool environment, as I have been a previous owner of two childcare centers. While I have been immersed in working with younger children for the greater part of my life, I have formerly taught both public and private school. I am a graduate of Mercer University with a Bachelor of Science degree in Education. I was recognized in Who's Who Among Students in American Universities and Colleges and have been fortunate to continue that recognition in Who's Who Among Executive and Professional Women.

This program already has a very well-trained staff in place and I plan on continuing the goals of acquiring accreditation by the National Association for the Education of Young Children. As a parent, this means that you will see a higher quality of childcare offered to your children. You will also begin receiving a calendar on the first day of each month highlighting various activities available for your child and you. I hope you'll take the opportunity to participate as often as your calendar permits.

My family is my first priority as it is with you. I understand the stresses of job commitments and outside activities and this program is here to offer you a concise developmentally appropriate environment with a nurturing staff. I look forward to the days ahead of quickly settling in and getting to know each of you. I hope you'll contact me directly with any questions or concerns, as I'm always willing to listen.

Thank you for entrusting the care of your children to us. We're planning on a great new year with many wonderful surprises!

Sincerely,

Donna W. Anderson  
Director
